Free at Last . . . Free at Last

Dear Terri,

I still feel as though I could write on this page, the next, and the next, never running out of things to say. And yet we've drifted so far apart. It never seems that way in the mornings, but all we see of each other is that short half-hour each day before school. Why has this happened? God knows, I love you Terri, like a sister. Your as important to me as any member of my family. In fact, that's why this whole episode of yours worries me. I don't want anything to ever ever happen to you. We may not always be together, but if I were never to see you again it would hurt me. And if I were to see you hurt, I swear I would kill the person who did it. So take care, for my sake! Remember how possessive I used to be of you? I acted as if I owned your entire being. That's why I still resent anyone "monkeying around" with you and I suppose I always will, Terri. Maybe its wrong of me, I don't know. Don't ever forget what we once had. It certainly was something special. Culd it ever be the same again...?

Friendship

When you stop to think about it, what is a friend? A friend is someone you can feel comfortable with. It's a smile from a certain someone that brightens your whole day. A friend is the person who knows when you're in need. Terri-I hope that when you read this you will remember me. I hope we will always be friends. Good luck in what ever you do

Fellow Regents:

As we enter into the Seventies, the boundless energy of our student body has centered on improving our environment by actively encouraging all to focus upon the many ecological problems.

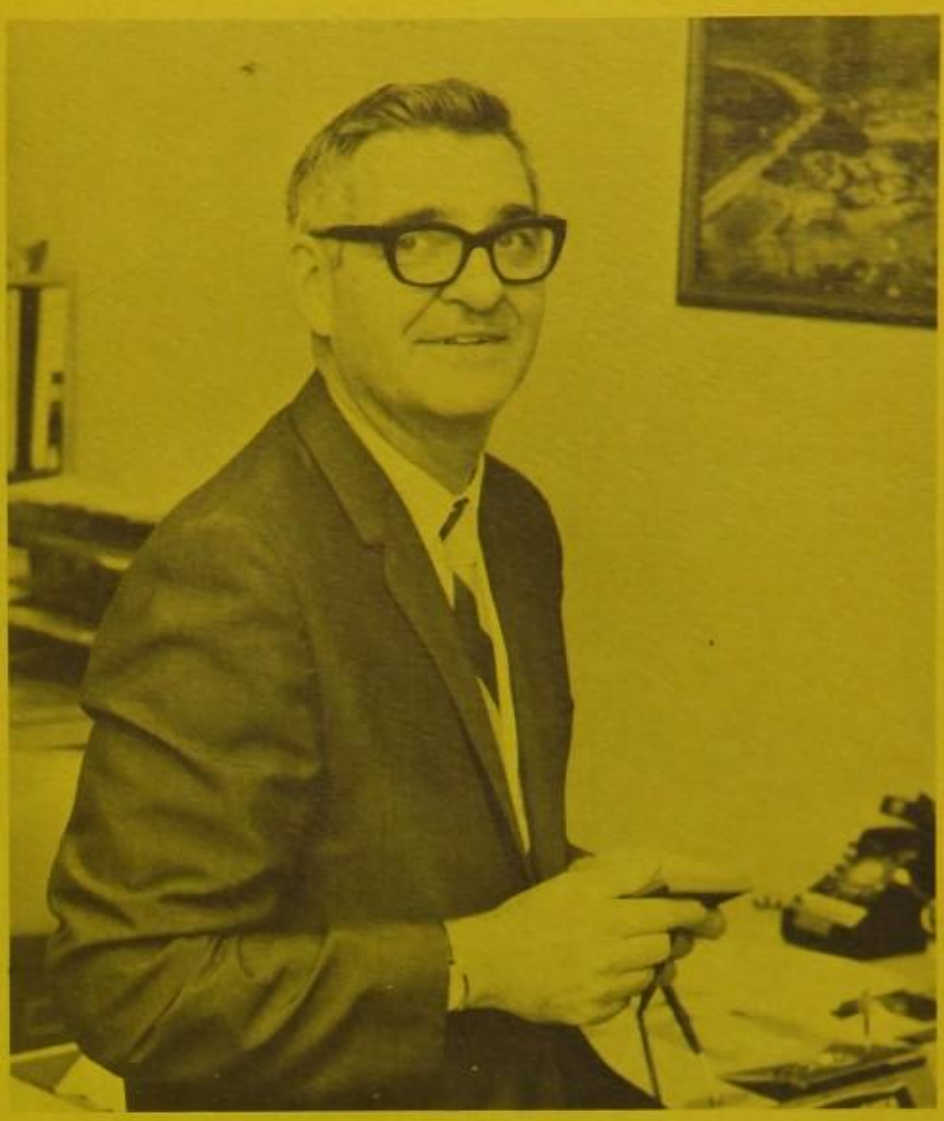
The challenge ahead is to maintain this momentum until effective programs become a reality. The neglect of our environment cannot be corrected in a brief period. Hopefully, the enthusiasm and the desire to correct these situations will not wane.

Each one looks forward to peace in the decade ahead. May each graduate go forth in a positive manner to make this a better earth for his progeny.

John D. Falxa

John D. Falxa, Principal

Angela Price—Girls' Vice Principal
You were firm but compassionate, stern but sensitive, and we knew that we were the ones you cared about.



George Schneider—Boys' Vice Principal
It was open season on Boys' V.P.s, but you always had our best interests in mind, and we were really aware of that.

Louis McCann—Head Counselor
We knew our counselors as well as our teachers, living proof that you and your crew had our futures as your goal.

James Tippett—Head Registrar
We couldn't beat you, so we joined you, and turned in a respectable attendance record.

ENGLISH IS WONDERFUL

The English Department is more than just grammar and punctuation, it is the drama productions you enjoy, the Regent Review, with its stimulating and controversial items, and Bugi, that giant of poetry. All of these delve into the feelings and emotions of our Regent writers, giving them a vehicle in which self-expression manifests itself, uncensored and unabashed!

A good SOCIAL STUDIES DEPARTMENT constantly changes and revises its program to keep up with current trends and needs in our society. Reseda's staff offers such stimulating courses as Comparative Religions, Psychology, Asian Studies, Ancient Civilizations, and American Cultural Minorities. These are truly college level courses but are readily absorbed by our aware Regents.

HOMEMAKING . . . need we say more??

The INDUSTRIAL ARTS DEPARTMENT takes care of the varied interests of our male Regents. It teaches them not only practical skills, but can prepare them for careers in fields such as drafting, auto, machine shop, electronics, carpentry and metal crafts.

The SCIENCE DEPARTMENT, offering some of the most difficult high school courses continues to be one of Reseda's most efficient and also most popular departments. Being in line with today's technological age, it encourages future careers in space, engineering, and other related careers.

The BOYS' P.E. DEPARTMENT is unique in its ability to unify a school student body, whether in general P.E., intramural contests or organized competition. Our coaches give 100% of their efforts to the average student as well as the talented varsity lettermen. Reseda has produced championship baseball, football and basketball players and enjoys a reputation among the professionals as a fertile field for future greats.

Who keeps our girls so physically fit? Well, our GIRLS' P.E. Department does a pretty good job keeping our girls in good form. Along with regular P.E., Drill Team, Badminton, Tennis, and Modern Dancing are also offered. Drill team and cheerleaders are sponsored by the P.E. Department.

Coach Bob Binder

• For inspirational play in college he was honored with the following awards in 1955:

1. All-American junior college center.
2. West Coast junior college Player of the Year.
3. Helms Foundation All-American.
4. Player of the Year — Metro Conference. The only time in the award's history that an interior lineman has been so honored.
5. Most Valuable Lineman — Orange Show Bowl game.

• To further appreciate these awards, one must remember that he got them in competition with many great players. They played the glamour positions, quarterbacks, ball carriers and receivers who usually attract more attention.

And he did all this while married and with two children while working forty hours a week and carrying fifteen units of college work.

• The man was truly a phenomenon.

In Memoriam

Eulogy

By "Ace" Hunt

Bob Binder's football coach

• The world is a tough place and you had better be prepared. Football is that kind of place.

• Bob taught players to respect themselves and the players respected him for his enthusiasm, dedication and knowledge. Opposing coaches marveled at coach Binder's ability to make men and hard-hitters out of some pretty sad material.

• He let them know when they did something right . . . he led not by gushy praises, but a simple "nice going." It was his form of discipline.

• He was a softie in lots of ways . . . always taking people home . . . intense about his outdoor cooking which, like football, had to be right. He'd do anything for his friends, players and Reseda High School.

• When he walked into a room, you felt his presence. He was a great bear of a man.

• He demanded and received physical toughness. He demanded character, resourcefulness and a desire to excel. He wouldn't settle for less.

• A man's man. He could and did strike fear into hearts of lesser men. But at heart, he covered his true feelings with gruffness.

• He lived and breathed football. He attended clinics, he innovated and dreamed about it at night. It was his life as well as his livelihood, and he was faithful to it right down to the final gun.

• His memory will continue to be an inspiration to all who knew him. He left in many hearts the belief that rewards come to those who work hard.

• They came to him as boys and left his teams as young men, toughened as no other experience available to them could do.

• "Life is tough," he said. "You get knocked down and you pick yourself up. You get knocked down and you pick yourself up. You pick yourself up . . ."

Elwood P. Dowd (played by David Glazer) was a man who "wrestled with reality for 40 years before he finally won." His victory was in the form of a six and one half foot invisible rabbit named Harvey. Elwood lived with his sister Veta Louise (Patti Koehnen) and his niece Myrtle Mae (Sally Branstetter). After numerous encounters and embarrassments as a result of Elwood's "friend," Veta decides to take him to Chamley's Rest Sanitarium to have him committed.

Elwood makes friends.

The Ephebian Society, based on a proven method of serviceable living, met for the first time February 1, 1918, on petition to the Board of Education from the High schools' honor societies.

From a membership of twelve in 1918, the elected membership today is over twenty thousand. The Ephebian Society of Los Angeles was incorporated as a nonprofit organization in June 1942, and also functions as the Ephebian Charities, Inc.

The Ephebian Oathe of Allegiance sets forth clearly this principle and spirit: "We will never bring disgrace to this, our city, by an act of dishonesty or cowardice, nor never desert our comrades in the ranks; we will fight for our ideals and sacred things of the city, both alone and with many: we will revere and obey the city's laws and do our best to incite a like respect in those above us who are prone to annul or to set them at naught; we will transmit this City not only, not less, but far greater and beautiful than it was transmitted to us.

Near graduation time, the senior class and faculty choose fellow students to belong to the Ephebian society. These memberships are given to one out of every forty graduating seniors, in the Ephebian spirit of service, leadership, and citizenship.

O.K.—So we didn't make it.

EARTHQUAKE

Nature grabbed us and shook us—shook us so hard that we realized our complete dependence on forces so great that it could only stagger the imagination. It made us, we fortunate survivors, put our values in order, appreciating our lives and well being, forgetting the broken dishes, patios and swimming pools. It was as if the world had said, *"Who told you that you own me?!* I can destroy you with but a fraction of my power!!!" So people helped people and people cared about people . . . at least for a little while. Then back to the war, the poverty, the bombings and the unrest . . .

Scholarship & Service

Fellow Regents,

The Student Cabinet of Winter '71 has taken much pride in their work and in their achievements. I feel very strongly that these members have been efficient and have represented the Student Body in the best way possible.

It has been my privilege serving you as Student Body President. I hope that I have fulfilled my purpose as Student Body President and that maybe our cabinet has added some new and useful policies to the school.

In the future, I know that Reseda High School will continue to maintain its high standards among the other schools in the city.

Sincerely,

Sue Schneider

Instead of blindly accepting the values handed down to them by preceding classes, students are now more than ever before questioning the validity of many of these existing standards. This is healthy. Constructive dissent is healthy.

To change those standards is not easy. Change is the end result of hard work and a strong and sincere belief in what an individual is doing. Sometimes however, effective change is brought about through argument as well as controversy. In these cases, most students will take sides in support or opposition of the issue and become emotionally involved.

It is this kind of involvement, emotional, that I, as well as Student Cabinet have attempted to instill in our student body. This process of involvement is slow and sometimes painful.

Every Student Cabinet at Reseda High School, past and present has contributed to the changes which have occurred and which will inevitably occur.

I, as Student Body President for the Spring of 1971, do hope that all succeeding cabinets and all future Reseda High Students will maintain their endless exuberance, ceaseless creativity and strong faith in the face of seemingly discouraged circumstances.

One can no longer doubt or ignore the crisis which today confronts student government. Its function, its effectiveness, in fact, its continued existence are being challenged from all quarters. The dilemma seems to center on the apathy and indifference of many and on the criticism of the majority. Obviously there is an urgent need to realistically effect a reinstatement of the function and goals of the institution. Surely it should be initiated by students themselves, individually and collectively, and with the realization that to become involved is to accept responsibility. And it falls to the Student Cabinet to assume leadership. This is the task before us. Success will depend largely on the individual and his willingness to become involved.

Let there be light from the yesterday for the tomorrow, so that we do not see or feel darkness, So that with the sunset, we can see the soft lines of the horizon in the evening afterglow, and that we can look up at the challenging sky and attain our horizons, so that our knowledge might be a flaming torch that lights all pathways to the future. Help us to realize that the supreme wisdom of life is peace , a kind of peace that binds men together, that we might live on this earth in brotherhood with understanding for all.

Clubs & Organizations

Please help us to realize that our desire to love, and be loved, does not perish with ambition.

And help us to see, that the tranquility of day lives on, rather than dies with sundown, and that when tomorrow does come, we will strive for a better world.

King Regent in Action

Girls League

Girls League sponsors many of the most interesting activities involving the female of the species. Its leader dreams up those activities especially aimed at bringing out the best qualities of Reseda's gals.

Boys League

This year Boys League has had some new and fun packed events such as the Car Show, where they gave away some very nice trophies to the owners of the winning cars. John Zirhut, Boys League president, also organized a Bowling League held at Reseda Bowl.

Boys League is not only having fun, they are also doing some constructive work for Reseda, planning student counseling projects to help the kids in trouble. Boys League feels that these people would accept help from friends much easier than they would from the "cold" establishment.

This year the Talisman Staff and I chose "People" as our theme. I felt it was time for us to take a good look at ourselves. What could be more important? After all this book is for us and about us.

As usual there were a few setbacks in editing the book. We just couldn't seem to please everyone, and I guess we didn't always try. But with the staff so eager to help, and Joan, my co-editor helping, our mistakes were easily corrected. We tried to show life at Reseda as it really is. Really.

I hope you will enjoy the impressive photography, crazy candids and poetry as much as we did putting it together.

So with many combined efforts I give you your yearbook, Talisman '71.

Look at it carefully, read it, and let it bring to you the pleasures it has brought to my staff and me.

Rita.

1st place Jazz Band Western United States.

Jazz Band

Under the direction of Mr. Gagliardi, 1971 marked a memorable and exciting year for Reseda's Jazz Band, the Ambassadors.

This year marked the return of a 1st place band to such engagements as Kelly's Retirement, the Orange Coast, Cerritos Competition, and a special invitation to the college competitions at the College of the Sequoias as Guest Band.

Along with the brilliant touch of Mr. Gagliardi—the band owes much of their fine music to Ken Miller. Mr. Miller worked diligently to compose exciting jazz arrangements especially for our band.

Topping an already thrill packed year the Ambassadors traveled to Costa Mesa to compete against jazz bands from four states. The Regent brassmen received the top award proving once again that they're the best jazz band in the west.

Man with his limited understanding cannot know what the rain is saying when it falls upon the leaves of the trees or when it taps at the window panes. He cannot know what the breeze is saying to the flowers in the fields.

Football:

Despite a pre-season ranking of number one in the league, the 1970 football season was one of continuous disappointment for the Regents as they posted one victory overall. Receiving compliments left and right from the local press, the varsity eleven became known as "the toughest winless team in the city."

The 1970 football season began with an inspired varsity losing to Van Nuys 19-6. Not to be snuffed however, was the ever-burning Regent spirit as in their next pre-season encounter against Poly they led 6-0 into the final seconds of the fourth quarter. A timely interception by a Poly defender halted the Regents once more as it led to a 94 yard drive, culminating in a touchdown, and a final 7-6 in Polytechnic's favor.

San Fernando was Big Blue's next opponent, and the wave of defeat prevailed as the stifled Regents fell to the Tigers 19-6.

Going into all important league play, the varsity squad realized it had a terrific obstacle to clear in trying to shake their winless ways. The trend had been set. Starting with their first league encounter against El Camino, the "tough troup" lost ensuing games to Chatsworth, Taft, and Cleveland, details which are too gruesome to mention.

Two minutes and forty-seven seconds: The amount of time that separated the Reseda High varsity football team from a league championship. Adding up the number of seconds Reseda lost by in each game this season, the total is this startling sum—two minutes and forty-seven seconds.

In their last league duel, a final game for many seniors, the Regents once again displayed their pre-season spirit. An inspired football team gave Reseda's fans their long-awaited victory by rolling over Canoga Park 14-7.

For coach Roy Jae and his never-say-die team, this win was not just sweet; it was beautiful.

Some of this season's standouts were, Terry Bernard, John Gaines, Steve Reed, Don Seastrom, Steve Anderson, Scott Lau, John Pritchard, Denny Bernard, Mike Schneider, Frank Berriz, and Terry Critchfield.

Bee's had a fine 1970 season, ending up third in the West Valley league, with a .500 won-lost percentage. With five returning Lettermen Reseda's Bee's went into their second to last ball game tied for first place. The Regents were deprived of their league championship however, as Cleveland won a hard fought game 14-6. This year's Bee Team placed nine men on All-League Teams.

Junior Varsity

The J.V.'s had their most successful season in many years as they were a respectable five wins and five losses in league play. This season was highlighted by their defeat of Chatsworth in the second round and by their exceptional game against Taft, the league champs. There was great improvement in the entire squad and several individuals showed promise of being real help to the Varsity in the future. Brad Arthur was the team's leading rebounder and scorer but scoring was usually divided evenly among the top six or seven players.

OK fellas, think you can handle 'em?

Varsity Basketball

The Varsity basketball season was disappointing in that the team seemed unable to handle opponents after having built up a lead. In every game, except the finals against Canoga Park, Reseda held an advantage in the fourth quarter, and yet won only four games.

At times the team showed flashes of brilliance that had been their trade mark for the three previous seasons. Larry Livesey was the leading scorer and rebounder and was named Player of the Year in the West Valley and also Third Team All-City. Gary Hufford was also named to the All-League Team.

Swimming

Spurred by Varsity standouts Jeff Draves, Mike Stone, Doug Reynolds, Steve Paintin, and Kerry Sander the Regent swimmers were a formidable foe to their West Valley League competitors.

Last year's top "Bee" diver Jeff Draves outclassed all opponents in diving. Mike Stone did very well in the hundred yard breaststroke, as was predicted.

Outstanding "Bee" swimmers were Ken Snyder in the fifty and one hundred yard freestyle and Chuck Anaya in the one hundred yard Butterfly. The "Bees" also boast returning number two man in city diving competition Mike Ostavich. Scott Nelson handled the distance chores.

Brad Renfrow paced the "Cees" with his versatility, participating in the fifty yard Butterfly and one hundred yard individual medley. Mark Levin also helped out with his fifty yard freestyle talents.

Gymnastics

Due to inexperience, this year's gymnastics team finished low in the league standings. However, outstanding performances by certain individuals made the meet scores respectable.

Gary Radameker, the team's most solid performer did exceptionally well on the side horse. Mike Perez and Gale Jones on the ropes, Neil Bruskin in free exercise and Mike Ostavich on the long horse were the team's strongest competitors.

Some of our best men exhibit strength in the hurdles.

Varsity Track

This year's Varsity Track squad included several outstanding performers but lacked depth to be a real contender for the league championship.

The Regents were led by returning champs Tom Reyes in the low hurdles and Mark Christiansen in the high hurdles. Rick Mercier developed into a championship caliber pole vaulter and posed a threat to both the B and Varsity school records.

Ken MacDonald was exceptional in the sprints and Alan Del Rio, up from the "B's" was a classy quarter miler.

B Track

The B squad was also strong in the hurdles with Bob Williamson excelling in the highs. Jim Wilson was an excellent 660 man and also performed on the relay team. The Whitmore twins, Doug and John, were outstanding in the 660 and 1320.

C Track

Reseda had its strongest C aggregation in many years. The Gordon brothers, Dave and Mark, and Bob Lo Sardo and Don Mitchell were the C pole vaulters and also relay team members. Ed Saborio hurdled and also was the leading long jumper.

Because of vast experience and talent the 1971 Reseda Varsity Baseball Team finished high in the West Valley League standings this year. With nine returning lettermen and upcoming J.V. Baseball standouts, the Regent nine proved to be a monumental threat to all that opposed it.

Four year baseball letterman Terry Bernard, did an outstanding job on the mound and is a definite pro-prospect. John Gaines, always near the top in the J.V. league batting standings could be counted on for his consistent and timely hitting.

The infield comprised of Dan Quick, Sumner Kubinak, Lee Plourde and Frank Berriz led the league in double play executions which contributed greatly to the overall success of this year's team.

end of a book

end of a year

say goodbye

it's been fun

realize suddenly the emptiness

of a summer

of a future

without

every day good mornings

from people you

may leave forever

take a look

look carefully

at people

at faces

at individuals

they will never seem

the same

time passes

everything changes

and some things

just end

carry on . . . . . .

Terri,
Well I guess
this is the end
of school. We've had
a lot of fun in high
school together & a lot of
laughs. Have a wonderful
summer. And lots of luck
in the years ahead.
Love ya,
Judy Hahn
344-8854 (call me OK?)

Terri,
It's been nice
knowing you over these past
years. You seem to always have
a smile, and a nice word.
Good luck and much happiness
to you over the summer and
in the future,
Sarah Yoshizaki

TERRI, YOU ARE
PERHAPS ONE OF THE
STRANGEST People I
HAVE EVER MET. BUT
I'm JUST KIDDING. These
years have really BEEN
wonderful and you HAVE
helped alot. I mean you
FORGET YOUR advice, (Dear Abby)
and all the things we ever talked
about. You have helped MAKE
the world a better place. You
a great person.
Love.
Mark

Terri-
You're a real
nice and sweet
girl. It's been really
cool that you've been
able to visit here
with Ron & Kim -
Keep up with the
good work in school
& maybe you can
be a candy striper
next year. Maybe
you'll be a nurse
like your mother
& Donna.
Love,
Aunt Barbara

Terri, I'm really happy to see a real
fine young lady come out of you.
You've been a terrific friend to
Kim this summer & I'm sure
you'll be a good friend to
Ron when he comes home.
Keep up the good work in school
& maybe you can be a candy
striper next year. Maybe
you'll be a nurse
